

**SSAA NSW Lever Action Rifle Title Shoot  
1-2 May 2021**

**Host Branch:** SSAA Coonabarabran Inc

**Venue:** Box Ridge Rifle Range  
Box Ridge Rd, ULAMAMBRI NSW

**Program:** Friday 30 April 2021: Practice from 10:00am to 4:00pm  
Saturday 1 May: Practice 100 m only from 0800 to 0900 by detail,  
Briefing: 0930 followed by Open Lever Action event of 50 rounds  
Saturday afternoon - Branch Discipline delegates meeting (see below).  
Sunday 2 May: Practice 100 m only from 0800 to 0900 by detail,  
Briefing 0930 followed by Classic Calibre event of 35 rounds

**Dinner:** Owing to SSAA directed restrictions (in fairness, in response to the NSW Govt directives), dinner is likely to be at a venue in town. This would be optional and not included in costs. With no other discussion, the Golden Sea Dragon Chinese is my pick at \$27 or so per person plus drinks for a three course banquet. I doubt I can get any venue under that sort of money. There is some hope that restrictions might ease.

**Catering:** Self help tea and coffee, regret, no food provided on current advice. A bar-be-que for self help cooking, also arrangements for food orders from a supermarket at the beginning of the day are being considered.

**Meeting:** Delegates meeting Saturday afternoon at 3:30pm or soon after shooting.

**Cost:** \$35 per event, \$70 for both, juniors half price, includes cap depicting 2021 at Coonabarabran.

**Camping:** Camping permitted at no charge, however, facilities are austere, toilets are long drop, generator power only, water is limited (tank only). (Does not sound great, however, the annual long weekend two day fullbore comp is very well attended, ie 100+, a trailer mounted worksite loo will be at the 100m mound)

**Directions:** **From Coonabarabran**, take the road to Quirindi, (Edwards Street *opposite the swimming pool eastward*) for 13.2 km (*all sealed*). Turn right on the road to Ulamambri for 0.7 km (*sealed*), take the first road to the left which is the Box Ridge SR 59 rd, range entrance is 10.7 km down on left hand side (*first 4.3 km is sealed and rest unsealed*) just past the Brooks Rd junction.  
**From the Binnaway Newsagency**, head east along Renshaw Street (the main street), for 0.5 km, cross railway (road changes name to Ropers Road) and continue for 1.1 km  
Turn left at Box Ridge Road for 15.5 km (*unsealed*), sharp left to stay on Box Ridge Road, and continue for 6.2 km, Box Ridge Rifle Range is on your right, just before the Brooks Rd junction.
