Safe transport guide

Do not transport firearms or ammunition to a police station unless you have submitted a Gun Buyback submission form, received a registration case number and you have a confirmed appointment.

When transporting guns and ammunition to your surrender appointment, you must comply with the safe keeping and storage as described in the *Firearms Act 1996*.

STEP ① Book your surrender appointment on Gun Safe

Follow this '**How to participate**' guide to learn how to book your appointment.

STEP ② Unload guns before transport

Do not carry ammunition in a gun. Keep ammunition in a separate locked container.

STEP ③ Keep guns out of sight at all times

Ensure that guns being transported inside a vehicle cannot be seen from outside the vehicle.

STEP ④ Secure guns during transport

Use a locked container, trigger lock, or remove the bolt or firing mechanism.

STEP ⑤ Lock your vehicle whenever it is unattended

Do not leave car keys or keys to gun storage compartments in the vehicle.

Important: any person in possession of a firearm must take all reasonable precautions to ensure the firearm is kept safely, is not lost or stolen and does not come into the possession of an unauthorised person.
